

Baby Boy Bryce

By Kiana, with teaching artist Jean

Hey baby
Mommy's baby
Hey Brycey
Mommy loves you

Hey there, hey there, hey there, baby boy Bryce
Did you know that mommy loves you?
Hey there, hey there, hey there, baby boy Bryce
Do you know that you're smart and funny?
Hey there, hey there, hey there, baby boy Bryce
And you're so important to me
Hey there, hey there, hey there, Brycey
Do you know how much you mean to me?
Brycey, you mean the world to me
Hey there, hey there, hey there, Brycey
You're all that I need

Hey Brycey
Mommy loves you
Hey baby
You're mommy's baby

Hey there, hey there, hey there, baby boy Bryce
Did you know that mommy loves you?
Hey there, hey there, hey there, baby boy Bryce
Do you know that you're smart and funny?
Hey there, hey there, hey there, baby boy Bryce
And you're so important to me
Hey there, hey there, hey there, Brycey
Do you know how much you mean to me?
Brycey, you mean the world to me
Hey there, hey there, hey there, Brycey
You're mommy's king

Hey Brycey
Mommy loves you
Hey baby
You're mommy's baby
