

My Beautiful Young Man

By Janayha, with teaching artist Juana

You'll be strong, and all I want you to be, someone special
Sweet and kind, brilliant mind, heart of gold
As I grow old, I'll watch you blossom into a beautiful young man
As I grow old, I'll see how much you have grown

You are my sun
You are my sky
You are my glow
You warm my soul

You are my sun
You are my sky
You warm my soul

Sweet and kind, brilliant mind, heart of gold
As I grow old, I'll watch you blossom into a beautiful young man
