New for 2009
Easy Payment Plan, see page 34 for more details

Book online www.tallships.org
Dear Supporter,

Welcome to our new ‘credit-crunch-beating’ 2009 summer brochure. Put the kettle on, settle back in a comfortable chair, enjoy the read and plan your next sailing adventure.

New Brochure Layout
The summer schedule is busier than ever with opportunities for all ages on both our magnificent Stavros S Niarchos and our Challenger Fleet. We hope the brochure’s new layout will make it easier to navigate through the array of different types of voyages. We’ve split it into sections, so whether you’re 14 or 64 there’s a section just for you. The information section has also been much improved to make it more informative and easier to read.

New Voyage Grading System
We’ve also introduced a new voyage grading system. This explains what you can expect from each voyage. From one , for a day sail where no experience is necessary to a five for the Fastnet Race where some sailing experience is required for this full-on racing event. If you’re not sure if a voyage is suitable for you, then don’t hesitate to call our reservations team who can give you all the advice you need.

New Easy Payment Scheme
New in 2009 is a great new way to pay for your voyage, as we introducing our Easy Payment Plan – by booking at least three months in advance you can split your payment into four easy payments (see page 34 for details). As always our reservations team will be pleased to help arrange an easy payment plan for you. Just give them a call.

Finally, I hope you are able to book on a voyage this summer but if you can’t get away with us this year, please pass this brochure on to a friend, tell them about Tall Ships Adventures and point them in the direction of our website.

Once again thank you for all your support.

Have a great summer and good sailing.

Voyage Grading

The voyage grading system is to help you pick the experience that you are looking for, not to discourage you from trying – whether that is a Day Sail or a Transatlantic.

Introduction to sailing on a Brig or Yacht. You will learn the basics of seamanship and get involved with all aspects of life on board. A great experience that should leave you wanting to come back for more. Ideal as a gift for a loved one or friend. No sailing experience necessary.
Voyage will include sleeping on board and working in a ‘watch’ system. May visit a foreign port (if voyage starts in the UK). A great way to build on your time on board and work on your seamanship skills. A good stepping stone before going off shore for an extended period. No sailing experience necessary.

These voyages are a little more adventurous. You are likely to encounter bigger seas and stronger winds. You will also find these voyages slightly more physically demanding due to the combination of conditions and voyage length. Still no sailing experience necessary.

Sailing off shore, out of sight of land is an incredible experience. You will be sailing the Brig or Yacht in a watch system for an extended time which will mean hard physical work and the likelihood of a change of your sleep pattern. A great way to get some miles under your belt. Some sailing experience is helpful but not essential.

Primary purpose of the voyage is to race. This will be an exhilarating experience likely to push you physically. As well as improving your sailing knowledge, you will also learn about racing a large yacht. Some sailing experience is required for these voyages.

What to Expect
As the UK’s largest sail training charity we are experts at teaching people who are young and young at heart all about life on board our fleet. As sail trainers we presume you know nothing and teach you all you need to know.

- You join the voyage as ‘Voyage Crew’ and get involved with all aspects of sailing the Brig or Challenger.
- Some overnight voyages will plan to visit a foreign port – so you’ll need your passport.
- The voyage itinerary will be decided by the Captain or Skipper depending on the weather and other factors to ensure as much sailing as possible. Your joining and leaving ports will only change if absolutely necessary and you will be informed of any change as soon as possible.
- You will be encouraged to participate as much as possible but we won’t make you do anything that you don’t want to do. However, we do expect everyone to take their turn in ‘Happy Hour’ which is cleaning your ship or yacht.
- The Voyage Crew will be divided into watches (groups) and under the guidance of your watch leader you will help sail your vessel.

Crew structure and becoming a volunteer
You will join as Voyage Crew which means you become part of the ‘team’ onboard who help with all aspects of life while at sea. You will be supported by a combination of salaried crew and volunteers. If you have joined a voyage of five days or more you may be assessed to see if you possess the skills to join us as a volunteer – this will be by being recommended at the end of your voyage. If you are recommended you will be able to join voyages as a volunteer to support the next generation of Voyage Crew that sails with us.

Where will you go during the voyage?
You will find where each voyage starts and finishes in the programme and suggestions of where some of the voyages might visit. However, it is impossible to guarantee where you will go during the voyage as this is very dependant on the weather and other factors. Your Captain or Skipper will keep you up to date with where you are likely to head to during your voyage. We will always endeavour to get in as much sailing as possible while you are on board.

Tall Ships Spirit
A Tall Ships Adventure is not a holiday in the usual sense of the word – it’s a unique ‘hands-on experience’. You will become an important part of the vessel’s crew and this is more than just the sailing – it will include food preparation, maintenance and cleaning.

You’ll work as a team while on board but it’s still likely to be tough sometimes. However, you will always be supported by our professional crew and trained volunteers.
The Tall Ships Fleet

Spectacular Square Rigger
Stavros S Niarchos

Our square rigged Tall Ship Stavros S Niarchos is a 60 metre Brig (ship with two square rigged masts) designed to sail anywhere in the world. Completed in 2000 by Appledore Shipyard to commercial safety standards, she carries a traditional eighteenth century style rig on a modern hull – features that make her so special and great fun to sail. In fact the Maritime and Coastguard Agency (MCA) has appointed her as an auxiliary coastguard vessel afloat in recognition of her safety features, equipment carried and level of training the crew receive.

Stavros can take up to a maximum of 69 crew, made up as follows:

**Salaried Crew** – Captain, Chief Officer, 2nd Officer, Chief Engineer, Bosun, Cook

**Volunteer Crew** – 3rd Officer, FAP (First Aid Purser), Assistant Engineer, 3x Watch Leaders, 2/3 Deck Hands, Cook Assistant and 2 Youth Mentors (only on youth voyages)

**Voyage Crew** – 48 (that’s you)

Please note not all the salaried and volunteer crew positions will be filled on every voyage.

What’s life like on board?

Since Stavros was purpose built she has a modern feel below decks with plenty of showers, air conditioning and heating and a modern fitted galley (kitchen). There is a large Mess (area to eat and socialise) and plenty of space outside. For sleeping there are six cabins with eight bunks in each – you will be allocated your own bunk and storage locker.

Training

Each voyage will start with a thorough safety brief and the start of your training which will fill at least your first day on board. Once you have left port your training will continue throughout your voyage using a combination of practical demonstrations and informative lectures. We will encourage you to try everything while on board but always respect your own limits.

Watches (teams)

In order to keep Stavros manned 24 hours you will be divided into watches of up to 16. Your watch leader will be responsible for you and teach you how to do things while you are on duty. With the guidance of your watch leader and other members of the crew you will get involved with some or all of the following:

- Helming (steering) the ship
- Setting the sails and adjusting them by hauling on ropes as a team
- Standing watch (looking out for other ships on the bridge)
- Climbing the masts and going out on the yards (horizontal beams that the sails hang from)
- Assist the Bosun (person responsible for the deck)
- Help with the general maintenance on board
- Assist with the ship leaving and entering port

Food

The food on board is legendary – from the cooked breakfasts to the roast dinners. All meals while on board are included and you will eat with your watch and other members of the crew in the Mess. Tea, coffee, squash and snacks are always available in the Mess. One of the duties you will also have on board is assisting in the galley and helping to serve the food.

Free time

You will have plenty of time when you are not on watch to relax or to catch up on some sleep. The Mess is the social hub on board where you can catch up with what’s been happening during the day. When you come into ports you should be able to explore ashore with a chance to buy souvenirs and stock up on supplies.
Our fleet of four 72ft steel ocean-going yachts were designed by world renowned designer Rob Humphreys and built in 2000. Originally designed to race around the world, they are perfect for sail training as they provide an exciting but extremely safe environment for everyone onboard. The Maritime and Coastguard Agency (MCA) gave the yachts the highest rating; they have the safety features, equipment and capability to be sailed anywhere in the world. The Challengers can take up to a maximum of 18 crew, made up as follows:

**Salaried Crew** – Skipper (occasionally a fully qualified and experienced Volunteer)

**Volunteer Crew** – Mate, 2 x Watch Leaders, Cook, Youth Mentor

**Voyage Crew** – 12 (that’s you)

Please note that not all the Volunteer Crew positions will be filled on every voyage.

**What’s life like on board?**

Considering the Challengers were designed to race around the world, things are pretty comfortable down below – comfortable and airy saloon (seating area), well equipped galley (kitchen) and two heads (toilets) with showers. The sleeping area is open plan with snug pipe cots (bunks) and your own storage area. Please note storage is limited so refer to our Voyage Crew Handbook for tips on what to bring.

**Training**

Each voyage will start with a thorough safety brief followed by some basic training. Once this has happened you will prepare the yacht for sailing and head out to sea, where your training will continue. We will encourage you to get involved with as much as possible while on board. On many voyages you will be able to work through the RYA Competent Crew syllabus. For most voyages you need no previous sailing experience.

**Watches**

The operation and maintenance of the yacht is a 24 hour job – to manage this a system of watchkeeping is used. You will be allocated to a watch while on board and while you are ‘on watch’ you will be involved with all aspects of sailing the yacht, including helming, sail changes, keeping lookout, helping in the galley and ‘Happy Hour’ (cleaning the yacht).

**Food**

All meals on board are included in your voyage. Tea, coffee, juice, snacks and fruit are available on a self service basis. Some voyages will have an allocated cook but you may well have to help in the galley – all part of the experience!

**Free time**

The watch systems allow you to have plenty of free time. This will give you a chance to catch up on sleep, relax and get to know your fellow Voyage Crew. It is normal that you will visit ports and marinas while on your voyage giving you opportunities to buy souvenirs and learn about different cultures.

Volunteer Support Groups

For 14-25 years olds
We believe that no young person should be excluded from a Tall Ships Adventure, particularly due to lack of funds. Through the fundraising efforts of our volunteer support groups across the UK, the Tall Ships Youth Trust can help young people aged 14-25 fund the cost of their voyage.

How do I apply for funding?
In the first instance, contact your nearest Tall Ships Youth Trust Volunteer Support Group or Head Office. We will be able to offer advice on what funding is available and how to go about applying for it.

Ways of raising your voyage fee
The task of finding sponsorship to help towards your voyage fee can be good fun as well as quite a challenge! Here are a few tips on how you can raise money towards your voyage fees:

- Contact your local Volunteer Support Group or phone Tall Ships Youth Trust Head Office on 023 9283 2055 to find out about what bursaries are available.
- Contact the local branch of the Prince’s Trust, Lions Club, Rotary, Round Table and other similar organisations.
- Write to companies in your area, sending them a brochure (we can supply you with one describing the work of the charity). Remember it is better to write to 20 companies asking for £20 rather than five companies asking for the whole lot!

Contact your local paper and offer them an exclusive interview in exchange for publicity – or better still, funding for the voyage!

If you are a member of a youth organisation such as Guides, Scouts, Cadets, St John Ambulance or a youth club, your leader may be able to help.

If you are at school, speak to a teacher or speak to your local Education Authority.

If you are at college or university, contact your Students’ Union.

If you’re 14-15, looking for adventure, fun and the chance to meet new friends and develop new skills, a Tall Ships Explorer Voyage is just the thing for you!

What’s it all about?
It’s about getting out there on the sea, having a great time and developing yourself. Tall Ships voyages give you the chance to learn to sail and develop important skills like teamwork, communication and leadership – and this will look great on your CV!

You can sail a Tall Ship or a Challenger Yacht round the UK, and even gain your RYA Competent Crew Certificate.

The voyages are physically and mentally challenging, but you don’t need any experience as we’ll teach you everything you need to know. And most of all, they are great fun and an experience you will never forget.

What will I be doing?
You will live and work on board with people of your own age from different backgrounds and cultures, so you will meet new friends and broaden your horizons. As part of a watch you will get the chance to set the sails, take the helm and sail the vessel out to sea – and our expert crew are there to help you every step of the way. You will also get to help with cooking and join in with Happy Hour (that’s cleaning!).

On Stavros
Voyages on Stavros are great fun and provide exciting challenges that will put your nerve and skills to the test. You’ll live in a community of up to 69 people which creates a real family atmosphere with everyone working together to achieve the same goals.

You will take part in inter-watch competitions which include the egg drop, knot tying, boat races and many more creative competitions, and you’ll have the chance to climb the rigging of the 120ft mast – it takes some guts but it’s an incredible feeling when you reach the top!

To book your Young Explorer Voyage call now 023 9283 2055 | www.tallships.org
On the Challengers
Challenger voyages can be fast, fun and furious – but always safe! You will get plenty of practical, hands-on experience sailing a modern yacht which will stand you in good stead for any future sailing you want to do.

The Challengers provide a closer environment as you will be living with up to 17 other people, but you will find that you become a close-knit team very quickly as you face the elements and take on challenges together.

What support will I get?
The expert crew will teach you all relevant aspects of sailing and are always on hand to give help and guidance when you need it.

All youth voyages also have a youth mentor on board. Youth mentors are qualified teachers or youth workers who sail as volunteers to help and support you with any personal issues you may have whilst on board.

How do I get on board?
You can join a voyage as an individual or as part of a group through schools, youth groups or youth services.

For more information about the best way to get on board, contact the Reservations team on 023 9283 2055 who will be happy to advise you and will help you with the application process.
A Tall Ships Adventure really is a fantastic experience, and one that will stay with you for life.

Through all the challenges that you will face and all the work you will put into the voyage, you will find so many positive outcomes:

- Fun and excitement!
- The sense of achievement at rising to the challenge
- New friends and the chance to meet people from all over the UK and abroad
- The satisfaction of a job well done
- Discovering skills you never knew you had
- The experience of a lifetime

It was a fantastic experience, one that I shall remember forever. I learnt a lot about big boat sailing, knowledge that will come in useful in the future.

Izzy, 15, Devon

Bursaries

Because we believe that no young person should be excluded from a Tall Ships Adventure, particularly due to lack of funds, bursaries are available through the Tall Ships Youth Trust to help fund the cost of your voyage. We can also give you tips on how you can raise some funds yourself. See page 8 for more information.
Academy Voyages 14-15

Tall Ships Academies are practical and exciting voyages which offer a fantastic opportunity for you to learn to sail and gain the RYA Competent Crew Certificate.

The Academies are challenging and great fun – and because the work is hands-on it means you get to put into practice everything you learn to become a competent member of the yacht’s crew.

You will learn all the basics under the guidance of our expert crew and will work in a watch with other people of your own age to sail the yacht out at sea. Plus you’ll get to visit various ports along the South Coast.

Tall Ships Youth Trust is the UK’s largest single provider of RYA Competent Crew Certificates – so you know you’re in good hands with us!

What will I learn?

You will cover the whole RYA Competent Crew syllabus, which includes:

- Knowledge of sea terms and parts of the boat, rigging and sails
- Sail handling
- Ropework
- Fire precautions and fire fighting
- Personal safety equipment
- Man overboard
- Emergency equipment
- Manners and customs
- Rules of the road
- Dinghies

Because of the popularity and success of previous Academy voyages, we’ve added more to the new programme but places go quickly. So book now before they sell out!

How many people can say they have raced a 72ft ocean-going yacht? Here’s your chance to race the Challenger Fleet in our prestigious Tall Ships Challenger Race Series.

Join the Challenger Fleet for a week of sail training and adrenaline rush racing when the four yachts compete for the Tall Ships Challenger Race Series Cup. No experience is required; you’ll be trained in basic sailing and race tactics before entering a two-day race series against the other Challenger Yachts.

Racing is the perfect way to bring out the best in everyone. You’ll learn how to sail with the added benefit of learning how to race and enjoy the prestigious and competitive environment of racing ocean-going yachts. Inter-yacht rivalry, competition, challenges, fun, reaching goals, socials and prizegivings are all included to give you a fantastic week on the water.

### Highlights
- We have spaces on two race weeks during 2008
- Spend 7 nights on 72ft ocean-going racing yacht
- All four yachts will sail together as a fleet but train independently
- The Fleet will meet up overnight for inter-yacht activities and fun ashore
- You’ll enjoy 5 days training en-route to your racing grounds
- You’ll participate in two days of racing, staying overnight in port
- Compete for the Tall Ships Challenger Race Series Cup
- Enter your own team – groups of 12 can charter your own yacht
- Come on your own or with friends and we’ll make up the crews. Great for novices!
- By day 6, you’ll be racing these yachts under the supervision of the Permanent and Volunteer Crew
- The chance for the winning teams to return and compete in the Race Week finals in Brixham from Friday 28 August to Tuesday 1 September.

### Itinerary
- **Days 1-3**: Become familiar with your yacht and learn basic sailing techniques – sail setting, tacking, gybing and teamwork
- **Day 4**: Race training – race starts, courses, tides, sail trimming
- **Day 5**: Race practice
- **Day 6**: Race 1 – an eight hour long distance race
- **Day 7**: Race 2 & 3 – two short races around markers
- **Day 8**: Debrief and assessments. Depart having had a great week

Foundation for Sport and the Arts
Challenger Race Week – 8-15 July
Encouraging young people into sailing

In July we will be holding a very special Race Week for young people generously supported by the Foundation for Sport and the Arts. Its aim is to introduce novice sailors to the sport and to encourage them to continue sailing after the event.

The Foundation for Sport and the Arts is generously supporting the cost of berths for young people aged 16-25 who have never sailed before and require financial assistance. These Bursaries are readily available – so is this you? Or do you know someone else who would like to get into sailing? To be part of this exciting event, download the application details on the ‘Voyage’ pages of our website. This is your chance to give sailing a go!
Adventurer Voyages 16-25

If you want fun, adventure, challenges and a good party atmosphere this summer, look no further than the Tall Ships Summer 2009 Programme!

You can hit some of the major maritime festivals around Europe, link up with a fleet of Tall Ships and enjoy the summer sun around the UK. So get on board for a voyage this summer!

**Stavros S Niarchos**

**Master & Commander**
Minorca to Minorca
Saturday 4 April – Saturday 11 April
Your discovery of the Balearics begins in Minorca which is famous for its sandy coves, archaeological sites and unspoiled scenery. You will set sail from the historic port of Mahon, which has one of the best natural harbours in the Mediterranean.

You will see the stunning coastlines of Minorca, backed by woodland, rocky headlands, calas and golden beaches.

Other Balearic Islands are only a day’s sail away from Minorca, so you will have a great opportunity to discover new places. Your route will depend on the wind and the weather, but you are sure to have an adventure wherever you sail.

**South Coast Challenge**
Poole to Brixham
Monday 20 July – Monday 27 July
Join Stavros as she sails from Poole to Brixham. You will stop off at ports along the way to see the sights in some beautiful English seaside towns.

**Irish Sea Challenge**
Brixham to Liverpool
Tuesday 28 July – Friday 7 August
Sail on Stavros around the south-west coast of England and up the Irish Sea where you may be lucky enough to spot some dolphins or even whales! The buzzing cosmopolitan city of Liverpool awaits you at the end of this voyage.

**Join the Race Fleets**
Liverpool to Belfast
Saturday 8 August – Saturday 15 August
Join Stavros in Liverpool and set sail for Belfast where you will meet a fleet of Tall Ships coming in from the Tall Ships Atlantic Challenge. This is a great opportunity to witness a marvellous spectacle, and experience a great party atmosphere with the rest of your crew.

**Cruise in Company to DelfSail**
Belfast to Delfzijl
Saturday 15 August – Monday 24 August
Leaving from Belfast on board Stavros, you will sail in company with impressive fleet of sailing vessels to Delfzijl for the DelfSail 2009 Festival. You are likely to see Tall Ships, square riggers, traditional sailing vessels, yachts and steamships from all over the world. So join the party!

**Festival Voyage**
Delfzijl to Barry
Tuesday 25 August – Saturday 5 September
Sail from one festival to another on Stavros! You’ll leave the festivities of DelfSail 2009 to sail back to Wales and join the Barry Waterfront Festival. This promises to be another great party with attractions such as the Lifeboat, local crafts, fun fairs, steam train and sailing regatta. It’s all happening at Barry Waterfront Festival.

**South East Challenge**
Portsmouth to Dover/Ramsgate
Sunday 11 October – Saturday 17 October
Explore the south east coast on this challenging adventure. You may even have the chance to visit overseas ports to see the sights as you travel to Dover.

**Big Bash or Bust**
Ipswich to Portsmouth
Thursday 22 October – Sunday 1 November
Join Stavros in Ipswich and sail round the east coast. On your way you will stop at various ports, then come in to Gunwharf Quays in Portsmouth for the Tall Ships party of the year!

Pioneer Voyages 18+
Challenge yourself with an Atlantic crossing, discover the idyllic beauty of the Azores, feel the adrenaline rush of racing or explore the coastlines of the UK with Tall Ships Adventures.

With so many choices open to you on our magnificent Brig and fleet of Challenger Yachts, you’re bound to find the perfect voyage for you.

What’s it all about?
Experiencing the joys of sailing, facing the elements and feeling the freedom of being out on the open seas!

You can learn to sail a magnificent Tall Ship or a Challenger Yacht, explore new places and get away from it all on a Tall Ships adventure. It will give you the chance to test your inner resources and face new challenges and can leave you feeling confident and full of renewed energy.

Many of the voyages are mentally and physically challenging, but you don’t need any experience as we’ll teach you everything you need to know. And most of all, they are great fun and an experience you will never forget.

What will I be doing?
Living and working on board an ocean-going vessel, and experiencing the fun and challenges that goes with it.

You will be involved with all aspects of life on board, including setting the sails, taking the helm and sailing the vessel out to sea. Living and working as part of a watch will give you the chance to meet new people and really get involved with the day to day aspects of running the vessel.

You will also get to help with cooking and join in with happy hour (that’s cleaning!).

On Stavros
Voyages on Stavros provide exhilarating challenges that will put your nerve and skills to the test. You’ll live and work in a community of up to 69 people which creates a great family atmosphere with everyone working together to achieve the same goals.

You will also have the chance to climb the rigging of the 120ft mast – if you dare! It’s a real challenge but worthwhile for the exhilarating feeling of accomplishment and the stunning view when you get there.

On the Challengers
Challenger voyages give you a practical, hands-on experience of sailing a modern yacht and it’s a great challenge for novice and experienced sailors alike.

They can be fast, fun and furious, but always safe.

The living environment is more intimate as you will only be sharing the yacht with up to 17 other people, but the camaraderie and good spirit that quickly forms enables you to meet your challenges as a team.

What support will I get?
The expert crew will teach you all relevant aspects of sailing and are always on hand to give help and guidance when you need it.

How do I get on board?
You can join a voyage as an individual or a group. If you have a large group you could charter a Challenger Yacht or the Brig.

For more information about the best way to get on board, contact the Reservations team on 023 9283 2055 who will be happy to advise you and will help you with the application process.

Day Sails

A Day to Remember!

A Tall Ship Day Sail is a great day out and a great introduction to Tall Ships sailing. This is a hands-on experience, and under the expert tuition of our professional crew you can do as much or as little as you want. Experience hoisting sails, taking the helm, and even climbing the rigging on our Brig. Once you are onboard, you’ll just want to join in and give it a go.

Sailing Notes

You will join at 0800hrs and the first couple of hours will be filled with training (finding out what bit of rope does what), safety briefings and of course a bacon buttie! Setting sail at about 1000hrs you will have a full day on the water before arriving back alongside at around 1600hrs. Lunch, afternoon tea and refreshments are all included. Great value for great day out.

Sailing Areas

Portsmouth and Southampton. Sailing in the sheltered waters of the Solent is perfect for a Day Sail, whatever the time of year.

Taster Voyages

If you’re looking to try sailing a Tall Ship or Challenger Yacht but are feeling nervous or don’t have the time to commit to a longer voyage, a Taster Voyage is ideal for you.

You’ll get the chance to do everything you would on a longer voyage, including learning the ropes, steering the vessel, hoisting the sails and climbing the rigging on Stavros. As part of a watch, you will work with others in your team to take part in the day-to-day running of the vessel. It will really give you a feel for what it’s like to live and work on board and it’s a fantastic experience, so give it a go!

**Historic Voyage of Discovery**

Gibraltar to Mahon

Thursday 26 March – Friday 3 April

If you’re into history, this voyage is the perfect trip for you! Your voyage of discovery will take you through the Mediterranean, stopping at ports of historical interest so you can explore. You’ll finish your voyage in the port of Mahon, which is rich in culture and history so there will be plenty to discover.

And if that isn’t enough, you’ll also learn about the history of sea shanties, so bring along your best singing voice!

**Master & Commander**

Minorca to Minorca

Monday 20 April – Monday 27 April

Monday 27 April - Monday 4 May

Your discovery of the Balearics begins in Minorca which is famous for its sandy coves, archaeological sites and unspoilt scenery. You will set sail from the historic port of Mahon, which has one of the best natural harbours in the Mediterranean.

You will see the stunning coastlines of Minorca, backed by woodland, rocky headlands, calas and golden beaches.

Other Balearic Islands are only a day’s sail away from Minorca, so you will have a great opportunity to discover new places. Your route will depend on the wind and the weather, but you are sure to have an adventure wherever you sail.

**Spanish Maine**

Mahon to Cadiz

Tuesday 12 May – Wednesday 20 May

What better time of year to cruise the sparkling waters of the Mediterranean Sea on a magnificent Tall Ship? Join *Stavros* as she sails from Mahon to Cadiz, stopping at bustling seaside resorts along the way where you can do a spot of sightseeing, sample local cuisine and enjoy warm Spanish hospitality.

**Spanish Maine**

Cadiz to La Coruna

Thursday 21 May – Saturday 30 May

Sail *Stavros* around the coast of Portugal as you travel to the busy port of La Coruna. You will stop to explore various ports and see what is on offer in terms of local culture and hospitality.

**Biscay Challenge**

La Coruna to Southampton

Sunday 31 May – Tuesday 9 June

Crossing the Bay of Biscay is a challenge and a great achievement! Your eight-night voyage is likely to be fast, fun and furious - but you will be safe and sound on board a ship built to handle tougher stretches of sea than this!

Insurance

*** IMPORTANT ***
YOUR TRAVEL INSURANCE
Due to legislation governing the sale of insurance products we are no longer able to make direct arrangements for your travel insurance. However, it still remains a requirement of the company that you maintain adequate travel insurance to cover you for your voyage. As a guide you must make sure that any policy you take out covers you for offshore sailing as a working member of a Tall Ship’s crew (you must check because not all travel policies cover this activity).

Tall Ships Limited have worked with GH Insurance Services Limited and they are able to provide a specialist voyage Tall Ships Travel Insurance Policy specifically designed for Tall Ships crew members. They can be contacted by telephone on 01892 779 539 or email tallships@ghinsurance.com

It is company policy that no one will be allowed to join a voyage unless we have a record of their insurance details. We also recommend that you carry your Travel Insurance Documents with you when you join your voyage. We will require the following details before you sail on a Tall Ships Voyage:
- Your Insurer
- Policy Number
- Policy Expiry Date
- Insurer’s Emergency 24 hour Telephone number

Prices – All inclusive
All Tall Ships Voyages (excluding Day Sails) include accommodation, meals, tea, coffee, hot chocolate, squash and biscuits whilst on board. Safety equipment, waterproofs and sailing instruction are also included. They do not include flights, organised excursions, meals ashore, transport to/from ship, departure tax, optional extras, surcharges and insurance. All Tall Ships Day Sails are inclusive of a morning snack, lunch and afternoon tea.

Transfers
Unless otherwise stated, prices in this brochure exclude the cost of getting to and from the ship (flight/ferry/train costs and transfers between the airport/ferry terminal/station and the ship). Information on how to get to the ship and what time you should be on board will be sent to you with your joining instructions.

Flights
In conjunction with Bath Travel (01202 761278) Tall Ships Ltd have secured a limited number of pre-booked flights. It is recommended that you book these flights as soon as possible. The benefits are:
- Secured/preferential prices
- Flights are coordinated so you join and depart the ship at the right time
- Early booking secures a guaranteed price
- Prevents last minute booking which can often mean higher flight prices

Group/Business Bookings
Tall Ships Ltd are able to tailor our voyages to meet the needs of the corporate/group customer, whether it’s a Tall Ship Day, a 4-day Tall Ships Taster or a day out on the Challenger Fleet. These are all great team building/bonding experiences. Regardless of it being a great day out for friends or facilitating a corporate team building voyage, we have the experience to ensure we deliver the very best. Phone the Tall Ships Sales and Marketing Department to discuss your requirements on 023 9283 2055, or email info@tallships.org to order your information pack.

Port Surcharges
Due to changes in port security legislation, certain ports & port agents have increased their charges to us substantially. Whilst we will try to negotiate these charges down, it may be necessary to pass on to our voyage crew a port surcharge to help us cover some of these extra costs. This surcharge will only be implemented if needed. You will then be informed of the amount by the Tall Ships reservations team before your final payment is due 8 weeks before your voyage starts.

Fuel Surcharges
Although we are sailing ships and we will always maximise the amount of sailing on your voyage, we still have to operate our engines in order to run our ships. Everything from meeting schedule dates, entering port, running auxiliary services on board such as generators and water making plants need fuel. Unfortunately we are still seeing a dramatic increase in the cost of fuel. We hope that this may not be permanent and therefore rather than passing on this increase the customer on your voyage fee we have decided to implement a surcharge to cover this increase. This means that it will only be implemented if our fuel costs do not go down. You will be informed of the amount by the Tall Ships reservations team before your final payment is due 8 weeks before your voyage starts.

Don’t forget to keep a copy of your Booking Form and Conditions of Booking. For booking conditions please visit www.tallships.org or see the back of the booking form.

Conditions of Booking

By signing the booking form, you (hereinafter “the Crew Member”) are entering into a contract with Tall Ships Limited (hereinafter “TSL”), and agreeing to accept a berth on the basis set out below. For any person under 18 years of age, the booking form must be signed by that person’s parent / guardian who will thereby accept these terms of the booking on behalf of both that person and themselves.

Your contract is governed by English law and any claim, dispute, or other matter arising under or in connection with the contract is subject to the exclusive jurisdiction of the English courts.

TSL does not in any circumstances accept as a Crew Member any person who is pregnant, has a diagnosis of epilepsy, is a carrier of a serious infectious disease (e.g. Hepatitis B, Hepatitis C and HIV) or, for deep sea voyages, is a diabetic. TSL expressly reserves the right to refuse to accept any booking for any reason which in its sole opinion might endanger or otherwise affect the safety of the vessel and/or any person(s) on board.

A. Undertakings by TSL:

1. The vessel will be under the command of a person holding the qualifications required by statute with additional professional crew as also required.
2. The life-saving, safety and fire-fighting equipment carried on the vessel will conform with statutory requirements.
3. Joining instructions will be forwarded approximately 8 weeks prior to commencement of the voyage and will give the date, time and place for joining and leaving the vessel.
4. The fee paid covers berth and food on board but not travel to/from the vessels.
5. TSL will endeavour not to cancel any voyage but nevertheless reserves the right to do so for any reason outside its control, including (but not limited to) bad weather which may in its sole opinion endanger the safety of the vessel and crew, and the mechanical breakdown of the vessel. In the event of such cancellation, TSL will issue a credit note but shall otherwise have no liability whatsoever.

B. Undertakings and Acknowledgement by Crew Member:

1. I will be a member of the Voyage Crew and will sign on as such under current statutory regulations.
2. I will be expected to carry out the duties assigned to me by the Master and Officers of the vessel.
3. I will be required to make and pay for my own travel to/from the vessels.
4. I agree to make a full declaration of any medical conditions or problems and medication used. (Information must be forwarded with Booking Form). I also agree to inform TSL if anything changes between booking and sailing.
5. I declare that required by TSL to obtain, at my own expense, a letter from my GP confirming fitness to undertake the voyage, in a form supplied by TSL. The letter may be mandatory for voyages involving deep sea sailing, and in other cases at the discretion of TSL.
6. I agree to notify TSL in writing of any change in personal medical condition between booking and the start of the voyage.
7. I agree that the Master (Captain) can authorise appropriate emergency medical treatment where necessary without recourse to next of kin and I agree to reimburse TSL for any expenses that are incurred.
8. I require a full passport for all voyages and I will consult my doctor for any foreign health requirements. I understand that if I do not have a valid passport number, the policy expiry date and the emergency contact telephone number of the Insurer, prior to sailing. I understand that if I do not provide these details prior to my voyage with TSL.
9. I understand that, on a voyage that is designated as being of mixed sexes, there are no segregated accommodation/sleeping facilities for Crew Members.
10. I agree to the payment terms as follows:

C. Crew Members aged 70-75 on voyages marked 18-75 and aged 60-65 on voyages marked 18-65:

1. Additional conditions of booking apply. Details of which can be obtained from the reservations department on 023 9283 2055.

D. Liability:

1. I understand that sailing can be a dangerous activity, particularly in rough weather, which can be encountered at any time on a voyage.
2. I declare that TSL, its appointed agents and the Master and/or Officer and/or other crew of the vessels will have no responsibility for the vessel not fulfilling or completing the scheduled programme or voyage due to bad weather, mechanical breakdown of the vessel whilst at sea or any other reason beyond the control of TSL or any other person for whom TSL is legally responsible.
3. I declare that TSL shall not be liable to me in any manner whatever (whether in the law of contract, tort, or otherwise) in respect of any loss, damage, or injury, whether direct, indirect, economic, consequential or of any other kind whatever, however arising out of or in connection with these Conditions of Booking, provided that nothing shall restrict TSL’s liability for death or personal injury resulting from its negligence.

E. Insurance:

1. I understand that it is a condition of sailing that I must purchase a comprehensive insurance policy. The insurer must be regulated by the Financial Services Authority and the policy must cover offshore sailing as a working member of a tall ship’s crew.
2. I understand that as a crew member I am obliged to seek and obtain an adequate insurance policy prior to my voyage with TSL.
3. TSL can provide crew members with details of an insurer that will provide such cover, for which TSL will receive an administration and handling fee. There is no obligation on the crew member to take out the policy with the insurer preferred by TSL.
4. I declare that I will obtain an insurance policy with appropriate and adequate cover for my voyage with TSL. (Advice about the level of cover can be discussed with TSL’s preferred insurer – GH Insurance Services – telephone 01892 779 529). I declare that I will provide TSL with the details of my Insurer, the policy number, the policy expiry date and the emergency contact telephone number of the Insurer, prior to sailing. I understand that if I do not provide these details prior to the voyage I will be unable to sail.

F. Easy Payment Plan:

Tall Ships Ltd reserves the right to withdraw the Easy Payment Plan without notice at any time.

The Tall Ships Youth Trust

www.tallships.org

- The Tall Ships Youth Trust is the UK’s leading charity dedicated to the personal development of young people aged 14-25 through the crewing of ocean-going vessels.
- We take 3,000 to 3,500 individuals to sea each year.
- Around 43% of the young people sailing with us are disadvantaged (30%) and disabled (13%).
- The Trust was formed in 1956, and over 85,000 trainees have sailed 1.5M nautical miles on the fleet.
- The fleet is operated by a small complement of permanent crew supported by some 1,300 sailing volunteers from across the UK.
- The Trust has 5,000 regular volunteers and supporters and a network of 37 Volunteer Support Groups across the UK.
- Our voyages bring together a multicultural, multinational cross section of young people to work and live together in a physically and mentally challenging environment.
- Young people work together in teams, taking responsibility for themselves and others which develops mutual respect and friendship rarely seen in such a short space of time.
Working with Young People

Tall Ships Youth Trust is dedicated to and experienced in working with young people to support their personal development.

On a Tall Ships voyage, young people can benefit from:
- Life changing and lifelong learning
- Increased self esteem and self-confidence
- Personal mental and physical challenge
- Healthier, more active lifestyle
- Multicultural understanding, diversity, and social cohesion
- Improved citizenship skills and volunteering
- Having fun!

Young people leave our voyages with various certificates, including:
- Tall Ships certificate
- An individual assessment form which assesses their major achievements
- Duke of Edinburgh’s Gold Award - Voyages of 5+ nights qualify for the residential section
- RYA Start Sailing Certificate and Competent Crew Certificate
- Curriculum and qualifications evidence - people can use the voyages as evidence towards the National Curriculum Qualifications Framework, AS/A level, ASDAN, BTEC, NVQ and NQF qualifications.

The Trust is supported by the Department for Children, Schools and Families and Ofsted, and works closely with many organisations who support youth development, including the Foundation for Sport and the Arts, HSBC Global Education Trust and the Rank Foundation.

Outcomes for Young People

- The voyage activities are great at developing communication, leadership and team building skills:
  - Over 70% of young people say that their problem solving skills improve
  - Over 80% say that they are better communicators
  - Over 90% say that they are better team players as a result of a voyage.

- The Trust is supported by the Department for Children, Schools and Families and Ofsted, and works closely with many organisations who support youth development, including voluntary and statutory youth services, the Foundation for Sport and the Arts, HSBC Global Education Trust and the Rank Foundation.

If you have sailed with us before you will understand the impact a voyage can have on a person, and it is our aim to help more young people improve their lives.

We have sponsored young people on sail training voyages for years. They have benefited greatly from the experience. This is front line youth work and our bursaries are worth every penny.

If this trip has taught me anything it’s not to judge people on first appearances. I have made so many new friends and this trip has changed my life and taught me so much. I have realised that I can do whatever I set my mind on. This has been the happiest time of my life.

Support The Tall Ships Youth Trust

Help us to help more young people change their lives

Booking a Tall Ships Adventure is a great way to support the charity but here are many other ways you can help:

- Pledge a donation or legacy to the Trust
- Help the Trust’s fundraising campaign by doing a sponsored walk, holding a cash collection at your local supermarket, putting on a fundraising event, or placing articles about the Trust in your local newspaper
- Tell us about someone you know who would like to receive information about giving a donation or leaving a legacy to the Trust
- Introduce us to someone who could help the Trust recruit more young people.
- Tell someone about your experience and encourage them to book a voyage.

If you can help we would love to hear from you. Please contact the Fundraising Department for fundraising or Reservations Team for booking enquiries, on 023 9283 2055 or info@tallships.org.

Thank you and see you on board!
